Our Office Mission

The University of Michigan-Dearborn is a caring, inclusive, student-focused institution. Our office is committed to supporting the University's goals in providing accessibility and affordability to all eligible students with an aim at ensuring student financial success and wellness from application to graduation. We support students in understanding their aid eligibility and developing their financial plans and strive to provide all qualified students with the financial resources they need to meet their educational goals.

Student Consumer Rights and Responsibilities

Section 493.A of the Higher Education Act requires post-secondary educational institutions to disseminate relevant, candid information on student financial aid programs available at the college. Any change in a student's financial situation, address, or school enrollment must be reported to the Office of Financial Aid & Scholarships. Students have the right to request a review of their financial aid package when a change in family or personal circumstances occurs. Students also have a right to review their financial aid records and may do so during counseling hours.
